

HONEYMOONS

CURATED BY LOVEBIRD WEDDINGS

A NOTE FROM TRUDY

I am so excited about this incredible new launch!

It's taken us a year to curate this list of ten honeymoons, based on research from past clients, what they wanted from their honeymoon experience, how far they wanted to travel, and for how many days, and what sort of locations would be appealing.

There is so much to explore, with each honeymoon offering something unique and different. Have fun immersing yourself in all the beautiful imagery. If you want our help planning your dream honeymoon, send us an enquiry, and together with the Airguide team we will create a bespoke experience you will absolutely love.

LOVEBIRD WEDDINGS X AIRGUIDES

I've always wanted to find new ways of extending the Lovebird Weddings experience, and during COVID we just happened to be at the right place, at the right time, and met the team at Airguides. I connected so much with their passion to deliver unique experiences that positively impacted on the world. To travel deeper, with more purpose. And so we embarked on an adventure to bring eco-conscious, yet luxurious honeymoons to the Lovebird clientele.

FREQUENTLY ASKED QUESTIONS

ABOUT OUR HONEYMOON PACKAGES

01 Are flights included?

We haven't included the cost of flights to your destination within these packages. This is because simply, when we asked our clients, everyone had a different airline that they preferred to travel with, airpoints, membership etc. So, whilst, if you would like us to add flights to your package, we can absolutely do so, we are also happy to leave this element to you. Note that all our packages do include transfers from major airports to the destinations.

02 Can I change the length of the honeymoon?

Yes, every honeymoon can be tailored to you. Just like our weddings are created bespoke, so too can we create you a bespoke honeymoon. The above packages are just examples of what we think would work well for our clients. However the number of days, inclusions, adventures will be dependent on your personal preferences and budget.

03 Can I customise the honeymoon to suit my budget?

Yes, we can tweak the inclusions to match any budget, by either removing or adding personalised experiences. Tell us what you like and what you don't like. This is also true for the accommodation. It is priced differently at different times of year. So ask us about travel tips to work around peak season, but still get ideal honeymoon weather!

04 How do I pay for my honeymoon?

A booking deposit of 20% is required to secure your honeymoon, with the remainder payable 90 days prior to set off. Talk to your Lovebird Weddings team member about creating a honeymoon registry, so that your guests can contribute towards your amazing honeymoon experience. All payments are made direct to our travel partner Airguides.

05 How do I get an accurate quote?

The prices provided above are indicative and subject to change. The final costs will be determined based on your preferred travel dates and whether they fall within the peak season. Once we have confirmed your desired inclusions and travel dates, our friendly partners at Airguides will provide you with a specific quote tailored to your preferences. Both Lovebird Weddings and Airguides are dedicated to service, so you'll find it easy to get where you need to, quickly and with much excitement.

06 Can we have guests contribute to our honeymoon as part of our wedding gift registry?

The answer is yes! We are huge advocates of experiential gifts and feel that the traditional "wishing well" placed at your wedding reception is a little awkward to manage on your wedding night. That's why we have teamed up with the awesome people at HITCHD to create the ultimate wishing well experience - your honeymoon registry!
